Heidelberg University HAUS Scholarships 2018/2019 for Bachelor's or Master's Students at U.S. Universities

Heidelberg Alumni U.S. (HAUS) is pleased to invite applications for the 2018/2019 HAUS Scholarships. The stipends are available to qualified students from a United States university planning to study at [Universität Heidelberg](http://www.uni-heidelberg.de). Note: Students currently enrolled at Universität Heidelberg or who are already receiving a scholarship from a different source are not eligible for the HAUS Scholarship.

The scholarship award is \$5,000 for Master's program students or \$3,000 for Bachelor's program students for one semester with the option to be extended for a second semester.

We are seeking candidates with a strong academic background who can also fulfill the role of ambassador for HAUS upon their return from their study abroad experience.

Universität Heidelberg is consistently ranked as one of the best universities in Germany (rated #1 in 2017 by the Academic Ranking of World Universities) and one of the top-rated institutions of higher education and research in the world. Universität Heidelberg offers a wide range of study programs, and a strong international orientation: about one-fifth of the university's over 30,000 students and one-third of its doctoral candidates are foreign nationals.

With its landmark castle, Old Town and the Neckar River, Heidelberg is one of the most beautiful cities in Germany. It is located just one hour south of Frankfurt International Airport.

“Having the opportunity to study at one of the most prestigious universities in Germany is both an honor and a privilege. The quality of education is simply outstanding. My professors are leaders in their fields of research, and my peers are world-class. The HAUS scholarship considerably eased the burden of finances, it also ensured a smooth transition during my move to Heidelberg, and offered a network of support for assistance and guidance.”

CAMERON CROFT, HAUS SCHOLARSHIP RECIPIENT 2015/2016 ON ROTATION AT THE UNIVERSITY OF CAMBRIDGE.
